Dear Sir /Madam

**RE: APPLICATION FOR THE POST OF ICT II OFFICER(APPLICATION  
PROGRAMMERS)**

I am writing to express my interest in the Application Programmer position at the Tanzania Communications Regulatory Authority (TCRA), as advertised on the PSRS Recruitment portal on June 7, 2024.

As a recent graduate with a Bachelor's degree in Software Engineering from the University of Dodoma (UDOM), I am enthusiastic about the opportunity to contribute to TCRA's initiatives in software development.

My experience as a Software Developer at Exact Manpower Consulting Limited has equipped me with comprehensive knowledge and practical skills in Software Application Development across the full life cycle. I have successfully designed and implemented systems using modern technology and tools, enhancing productivity and efficiency in the workplace.

Enclosed with this letter are my curriculum vitae and certified copies of my academic certificates for your perusal.

I appreciate your time and consideration.

Thank you for considering my application. I am eager to bring my expertise to TCRA and contribute to its mission of promoting effective communication regulation in Tanzania.

Yours Sincerely

Kelvin Cosmas
